_ I was in JAIL MARION COUNTY Salem , Oregon . Start on Dec 1 , 2017 to Feb 27 , 2018.

_ MARION COUNTY has prisoner grievance procedure , but the Documents are extracted , stolen to enable Legal due process.

_ I did present the FACTS relating to this complaint in the State JAIL , but NO help ! . I received nothing but more threats and all Affidavits I got been stolen . I did mention in a State court , but same outcome .

_ I had to wait until I got out and file a TORT CLAIM petition the Government for redress of grievances.

_ They defaulted , because of guilt.

_ Defendants : Jason Myers employed as MARION COUNTY SHERIFF

Salem , Oregon [97317] .

_ Deputies Whittaker , Velasquez , C .Crites and Sophie Polonsky entered my Cell # C3 - 103 at approximately 4:00 AM , used bad words and ordered me to take my clothing off and to show them my private parts of my body . Because I refused to do such illegal shameful act in presence of others womans officers.

_ Whittaker said : fuck the fuckin Russian (I was born in Portland Oregon and my mom is American , why descriminate me ?) at this hour everyone is a sleep , " NO " evidence ! of course wanton conscious and intentional desire to do harm for satisfaction without Legal justification , inflicting injury , damage , pain and suffering including mental anguish and nightmares . Such evil spirit and venemous act which make them conspire , descriminate , torture and motivate them in such way in doing harm to others

who are helpless .

- Relief-

_ There MUST be some relief , because I cannot move or do something without feeling pain . MUST be some compensation because there is total negligence and deliberate indifference revealed and exposed per the evidence they left and failed to rebut Affidavits ! , per their missuse and abuse of power in order to enjoy other peoples injury , damage pain and suffering for their satisfaction and enjoyment , they are liable .

_ Why should't they answer for all they done ?.

I declare under penalty of perjury per 28 U.S.C. §1746 ; (1)
